Gathering Words...

we say together...

We come together now
to illuminate the dark corners of our thinking,
to let the light of God shine into the darkness of this world.
Am I in my small corner, and my brother and sister in theirs?
Reveal to us the chasms between us and others, Lord.
Show us those on the edges of our communities.
Who might be at our gate right now?
Light the way for us, that we might light the way for others.

Amen.
